

# Baby, Baby, Baby

## Stone Joss

Baby, baby, baby  
You got me cryin' in my sleep  
Baby, baby, baby  
You got me cryin' in my sleep  
Oh you let the other fellas  
Steal your love away from me

Baby, baby, baby  
I wake up callin' out your name  
Baby, baby, baby  
I wake up callin' out your name  
Oh you got me so unhappy  
And honey you're the one to blame

Let me tell ya 'bout it

I gave you time  
I gave you love  
I thought we went together like a hand in glove  
You took my love  
You took my time  
And now you make me think you're tryin' to take my mind

Baby, baby, baby  
Why don't you stop your evil ways?  
Oh you're makin' me unhappy  
You've got me cryin' night and day

Let me tell the story

I try to go  
To sleep at night  
But all I do is toss and turn till broad daylight  
My pillow's wet  
From cryin' tears  
I feel a little better when your picture's near

Baby, baby, baby  
I've got your picture in my arms  
Oh, I'm givin' it my kisses

And my love until you come  
But meanwhile

Baby, baby, baby  
You got me cryin' in my sleep  
Baby, baby, baby  
You got me cryin' in my sleep  
Oh you let the other fellas  
Steal your love away from me
