

# You Don't Bleed For Me

## Killswitch Engage

That is something that had changed  
Corrupted in your ways  
Beside your contradictions  
This walk we're searching has been grazed  
Structured and dismayed  
But you have all the answers for me

It's clear to me now  
You're not what you claim  
You don't speak,  
You don't speak for me  
There is no mistake  
It's written on your face  
You don't bleed  
You don't bleed for me  
Bleed for me!

When all must fall from your eyes  
We see truth behind the lies  
I don't believe a word you say

It's clear to me now  
You're not what you claim  
You don't speak,  
You don't speak for me  
There is no mistake  
It's written on your face  
You don't bleed  
You don't bleed for me  
Bleed for me!

Firefly of righteousness  
But underneath of this deviousness  
Screaming lies  
Don't pretend to know me  
Martyr of disgrace  
With your plastic smile  
I don't believe a word she says  
Don't speak for me  
You don't bleed

You don't bleed  
You don't bleed, for me!  
FOR ME!

Your words betray  
The life that you live is a lie  
The truth remains  
I see through you

It's clear to me now  
You're not what you claim  
You don't speak,  
You don't speak for me  
There is no mistake  
It's written on your face  
You don't bleed  
You don't bleed for me  
Bleed for me!
