Melt Your Heart

Jenny Lewis

Nothing is ever as good as it was
And what's good for your soul
Will be bad on your nerves
Strike that reverse itIt's bound to melt your heart
One way or another
It's bound to melt your heart
For good or for bad
It's like a valentine
From your mother
It's bound to melt your heartAnd we've lost the people we could have loved, and you...
What you know you have or what you think you aren't
It's never perfectIt's bound to melt your heart
One way or another
It's bound to melt your heart
For good or for bad
It's like a valentine
From your mother
It's bound to melt your heartAre we killing time?
Are we killing each other?It's bound to melt your heart
One way or another
It's bound to melt your heart
For good or for bad
It's like a valentine
From your mother
It's bound to melt your heartWhen you're kissing someone who's too much like you
It's like kissing on a mirror
When you're sleeping with someone who doesn't get you
You're gonna hate yourself in the morningIt's bound to melt your heart
One way or another
It's bound to melt your heart
For good or for bad
It's like a valentine
From your mother
