

Rosie

The Lowest Pair

Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me? Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me? I once had you close
It was pure and good
I was young, I took you for granted,
I misunderstood If I had the guff
Tell you what I'd do
I'd would kiss those hardworking hands,
and I would marry you Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me? Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me? Hold me to the light
I will see it through
If you give one more chance,
I'll be good to you Hold me to the light,
Rosie rosie rosie
Just give me one more chance,
And I won't let you go Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me? Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me? Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me? Oh my rosie darling
Oh my rosie be
I was wrong, but I learned my lesson,
Won't you come back to me?
