

# Embalmed In Sulphuric Acid

## Pungent Stench

[by Wank]The whole body, full of pumps  
Bubbles are seeping, pus is dripping  
Pouring acid, sulphuric acid  
Embalmed body, no escape  
Skin is falling, pain is stabbing  
Pure naked flesh, acid-blood mash  
Burning skin, soring flesh  
Embalmed in sulphuric acid trash  
[repeat the whole verses]
