U R Loved

Israel Houghton

What if it all depended on me
To change the world?
To change the worldWhat if my only responsibility
Was to change the world?
To change the worldLet me be the one to start a revolution
Let me sing my song to the people of the world
It all begins withOne, the power of one
Joining the hundreds of millions
Of people believing in one
The power of oneDon't hang around
Stand up or sit down
It all begins with oneWhat kind of love can conquer disease
And change the world?
And change the worldWhat can I do to?
Make poverty history
And change the world
And change the world?Let me be the one to start a revolution
Let me sing my song to the people of the world
To the children of the world
It all begins withPlease don't turn away
Let your voices rise
Put love on display
And make a difference nowI believe you and me
Can make a difference now
Oh, oh, oh, it all begins with one
