

# Crazy

## Me First and the Gimme Gimmes

A man decides after seventy years  
That what he goes there for, is to unlock the door  
While those around him criticize and sleep,  
Criticize and sleep  
And through a fractal on a breaking wall  
I see you my friend, and touch your face again  
Miracles will happen as we trip,  
Happen as we speak, will happen as we speak But we're never gonna survive, unless  
We get a little crazy  
No we're never gonna survive, unless  
We are a little Cray, cray, cray Crazy German people walking through my head  
One of them's got a beer, he's yellin' in my ear  
David Pollack finally lost his mind  
That was five years ago  
At an S.O. show But we're never gonna survive unless  
We get a little crazy.  
No we're never gonna survive unless  
We are a little  
Crazy,  
No no, never survive, unless we get a little, bit In a sky full of people, only some want to fly  
Isn't that crazy?  
In a world full of people, only some want to fly  
Isn't that crazy? Crazy,  
In a heaven of people there's only some want to fly  
Ain't that crazy?  
Oh babe  
Oh darlin'  
In a world full of people there's only some want to fly  
Isn't that crazy?  
Isn't that crazy  
Isn't that crazy  
Isn't that crazy But we're never gonna survive unless  
We get a little crazy.  
No we're never gonna survive unless  
We are a little  
Crazy No no, never survive, unless we get a little
