I Was In A Bad Way

Lana Del Rey

Wait, Wait for me
Wait, Wait for me
Come on babyI was in a bad way honey
'til I met youI was in a badd place honey
I knew, I knewI was going no where fast, you were bringing me down [You were bringing me down]
I wanted to go, you were the cutest guy in town!Wait, wait, wait for me, I don't wanna go
Wait for me, I wanna go [I wanna go]
Wait for me, i wanna go homeI was in a bad way honey, I was in a bad way [I was in bad way],
Bring it on back, I know that i want you
I've never been good other when I wanted something for you
If you like you [???]It's on your terms, we can waste all my timeBecause I want you, I wanna go with you!
Don't leave me, I wanna go home,Can I be your baby doll? my, my
Can I be your cherry pie?
Why do all the best girls like the bad guys, because they die for you!I know what they say about you, you know that I never cared
you were always my type, with your dark heart and your long black hair, yeah.
Yeah, yeah, yeahI wanna take you higher, higher yeah
So let me, let me. let me, let me yeah!Let me love you, let me love you, let me love you,I don't wanna go, take me with you
I don't wanna go, noo
Take me with you
Yeah-h, yeah
I need you
I want you
