

Sweet Little Corrina

Vince Gill

Well, here comes my little baby
Here comes my turtle dove
She drives me crazy
She's the one that I loveShe's got a way about her
I could never turn down
I couldn't live without her
She makes the world go aroundSweet little Corrina
Come over here by my side
Sweet little Corrina
Put your pretty little hand in mineYou could search the world over
Right up till the end of time
Every night I get to hold her
Sweet Corrina, now she's so fineShe's my little angel
My little beauty queen
She never met a stranger
She's the girl of my dreamsShe's a ballerina
Sweet as she can be
Ought to see the way
She's smilin' at meSweet little Corrina
Come over here by my side
Sweet little Corrina
Put your pretty little hand in mineYou could search the world over
Right up till the end of time
Every night I get to hold her
Sweet Corrina, now she's so fineSweet little Corrina
Come over here by my side
Sweet little Corrina
Put your pretty little hand in mineYou could search the world over
Right up till the end of time
Every night I get to hold her
Sweet Corrina, now she's so fine
