

# Catch Me if You Can

[Rick Springfield](#)

Jean, Jean, Jeanie, catch me if you can

Jean, Jean, Jeanie, catch me if you can

Do ya, do ya really wanna try? Oh my Jean, Jean, Jeanie, catch me if you can

Jean, Jean, Jeanie, catch me if you can

Do ya, do ya really wanna try? My, my, my Sweet magician's daughter, weaving spells my way

You know I want to be with you but magic words are all you say Jean, Jean, Jeanie, catch me if you can

Jean, Jean, Jeanie, catch me if you can

Do ya, do ya really wanna try? My, my Merlin's magic daughter, I know that's what you are

I'm playing magic games with you, it's easier to guide a star Jean, Jean, Jeanie, catch me if you can

Jean, Jean, Jeanie, catch me if you can

Do ya, do ya really wanna try? My, woo Magic lady waiting, your palace walls are tall

I can wait forever but I'm climbing up the palace wall Jean, Jean, Jeanie, catch me if you can

Jean, Jean, Jeanie, catch me if you can

Do ya, do ya really wanna try? Oh my, my, my, my Jean, Jean, Jeanie, catch me if you can

Jean, Jean, Jeanie, catch me if you can

Do ya, do ya really wanna try? my
