

# Who Will I Run To? (Album Version w/out snare)

[Kiley Dean](#)

You were the one  
Who I could tell my deepest fears  
And you were the one  
Who always wiped away my tears  
When he hurt me you were my prince  
Sent straight from above  
Like a fool I never saw  
You were falling in love  
So now I've lost everything  
Cause now you say  
You're gone forever more  
So who will I  
Who will I run to  
Who will I turn to  
Now that you left me behind  
Who will dry my tears  
When I cry  
Who will I run to  
And who will I turn to  
Now that you're not here  
In my life  
You were the one  
I took for granted all those years  
And you were the one  
I should've known  
It was so clear  
How could I be so blind  
Not to see what's before my eyes  
I'll get you back here with me  
If it takes the rest of my life  
Cause I would do anything  
Cause I want you back forever more  
Who will I run to  
Who will I turn to  
Now that you left me behind  
Who will dry my tears  
When I cry  
Who will I run to  
And who will I turn to  
Now that you're not here  
In my life  
I will gladly journey  
Across the deep blue sea  
If I could know  
That I would have you here with me  
I realize that I was blind  
But now I finally see

I need you back here in my life  
Oh baby can it be Who will I run to  
Who will I turn to  
Now that you left me behind  
Who will dry my tears  
When I cry  
Who will I run to  
Who will I turn to  
Now that you're not here  
In my life Who will be there for me  
Who's gonna rescue me  
Who's gonna share my dreams  
Who's gonna mend this broken heart
