

# Wade in Your Water

## Common Kings

[Verse 1:]

Sponsored by Billabong, surfer girl  
Type a girl I like feel up on, in the water  
Really wanna rock her boat, like a  
Hurricane in a perfect storm, Lawd

Ask her where she gone away to  
Said a Haleiwa  
Said she love the North Shore  
Bikini top  
Black scotts  
And them Board Shorts  
Paddle Out Paddle Out

[Chorus:]

Can I wade in your water [3x]  
Until I catch your wave  
Lawd  
Can I wade in your water [3x]  
Until your wave  
Yeah

[Verse 2:]

Like the sun I can feel her warmth, Yeah  
Heat wave through the winter months, Oh  
Type a love never expire, Mmm  
Burns slow like a Bonfire

Ask her where she gone away to  
She said Laie, (Ayy)  
Said she love the North Shore  
Bikini Tops  
Black Scotts  
And them Board Shorts  
Paddle Out

[Chorus:]

[Verse 3:]

When the sun fades

And I float your wave  
I will stay the night  
Just to catch your wave

[Chorus:]

Go deeper in to natures arms, Yeah  
Cascade like Waimea falls, Oh  
Pipe line through her open sea  
I'm in love with her currently, Yeah

Ask her were she gone away to  
She said Waimea, (Ayy)  
Said she love the North Shore  
Bikini Top  
Black Scotts  
And them Board Shorts  
Paddle Out, Paddle Out
