

# Heaven's Song

## Bethel Music

We have come, as one heart  
As one voice, to join Heaven's  
Endless song on the earth  
Lifting up our adoration  
Towards Your throne, praises rise  
Songs of love are now ascending  
For the King, for the Lamb  
Who gave His life to save us Holy, Holy, Holy  
All of Heaven cries  
Worthy, Worthy, Worthy  
For You were crucified  
[the] living creatures call out  
[and] all the elders fall down A sacrifice of living praise  
We bring our all for You have beckoned  
Us into a holy place  
A holy love, Your very presence  
[and] now we stand [in] wondrous awe  
A glory cry we raise to Heaven  
With holy hands and lifted hearts  
[our] eyes upon our Savior Holy, Holy, Holy  
All of Heaven cries  
Worthy, Worthy, Worthy  
For You were crucified  
[the] living creatures call out  
[and] all the elders fall down [they] fall down and worship  
[they] worship, we worship  
[we worship, we called in worship]  
[we call to worship] [we sing out] Holy, Holy, God most Holy  
Worthy to receive all glory  
Heaven's shouting as we glorify  
[repeat]
