

# On The Phone

Julian Lennon

I'm on the phone once again  
I feel like callin' everyone I know  
I called my girl twice last night  
She always cries when we have a fight Ooh, I'm down on my luck again  
I really don't know what to do  
Yes, I'm down on my luck again  
And I don't know what to do  
But baby, I'll call you as soon as I get home I'm on my own once again  
I feel the need to be with someone  
All my friends have been and gone  
But my girl's at home and she's all alone Ooh, I'm down on my luck again  
I really don't know what to do  
Yes, I'm down on my luck again  
And I don't know what to do  
Baby, I'll call you as soon as I get home I'm on the phone once again  
I feel like callin' everyone I know  
I called my girl twice last night  
She always cries when we have a fight Ooh, I'm down on my luck again  
I really don't know what to do  
Yes, I'm down on my luck again  
And I don't know what to do Yes, I'm down on my luck again  
And I don't know what to do  
Yes, I'm down on my luck again  
And I don't know what to do  
Baby, I'll call you as soon as I get home
