

# Broken Wings

## Soil

Come On Here We Go Finding New Ways To Spread My Wings

Let The Wind (?) again

Burning in Prez's desires

To faraway to take another step No matter (?) a second

Melting all the mirrors

Breaking whats left

and do what is done is dead

No matter (?) is taken

Releasing all that matters

Prop me up

Drop me dead

So Let Me Stick with it With Broken Wings I fly high

Can't reach out to the other side

What Broke Wings I fly high

Lets break this man Running To Hide Myself

From the minds they say again

Ripping Out Of Myself

I gotta break this other way Following it to the masters

Rising All that matters

Break it up and tell the lies

Till The Truth is dead

Breaking It To Myself

Releasing All That Stuff Now

Jev Up

Jev---- Up Live Again through something bad

With Broken Wings I Fly High High

Cant reach out to the other other side

What Broken Wings I Fly High

Lets Break This Man Fight to know that the wolves race

Making whats right seem alright

Small till the seek of nightlife

What my next tomorrow says

No Matter (?) is second Melting All That Matters

Prop Me Up

Drop Me Dead

so let me stick with it Following it to the masters

Rising All That Matters

Make It Up

Tell A Lie

till' the truth is dead With Broken Wings I Fly high  
Can't Reach Out To The Other Side  
What broken wings I fly high  
Lets break this man Lets Break This (x3) Man  
Of Broken Wings I Fly Lets Break This (x3) Man  
Of Broken Wings I Fly Lets Break This (x2)  
Of Broken Wings I Fly Prop Me Up Drop Me Dead
