

Somethin' to Hide

Journey

Please, come talk to me
Tell me what's on your mind?
You say there's nothin' wrong
I know Ooh, it's been a long, long time
Since I last saw your face
Traces in my mind
I know You've got somethin' to hide
That you're not tellin' me
You got somethin' to hide
I know Ooh, well, there's something about you
And I know that you're not telling me You've got somethin' to hide
That you're not tellin' me
You got somethin' to hide
I know You've got somethin' to hide
That you're not tellin' me
You got somethin' to hide
I know
