Swarming Vulgar Mass Of Infected Virulency (live)

Carcass

Festering scabs, papillae and pores
Hardened carbuncles, spots and cold sores
Pick at the scab, septic blood starts to weep
Rip at my face, ruptured growths start to seepBlackhead and boils, pustular cysts
Chapped commodores, perspiring zits
Pierce the bland, infected tissue starts to bleed
Diseased and plagued, tumors chew and feedOn ulcerated flesh
On facial mess
On blooming sores
On blistering wartsSqueeze out the blood, the pus I extract
A rancid cocktail, steaming and black
Infested skin, bubbles and bursts
Hackney vulgaris, spluttering pusThe swarming mass
With acid I attack
With razors I hack
Buboes, bulging and blackSqueeze out the blood, the pus I extract
A rancid cocktail, steaming and black
Bursting canker, clustered bullae
Pimples and bones eat me aliveGnawing, curdling, swarming flesh
Bubbling, seething, disgusting mess
Smarting, abased purple and raw
Pustular, vulgar pimples and soresThe juice is squeezed
Sebum bleeds
Lick the pox
Weals and wartsFestering face
Decrepit and plagued
