

Sail Away (Rae & Christian Remix)

David Gray

Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I want to hold you now, now, now Crazy skies all wild above me now
Winter howling at my face
And everything I held so dear
Disappeared without a trace
Oh all the times I've tasted love
Never knew quite what I had
Little darling if you hear me now
Never needed you so bad
Spinning round inside my head Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I want to hold you now, now, now I've been talking drunken gibberish
Falling in and out of bars
Trying to get some explanation here
For the way some people are
How did it ever come so far Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I want to hold you now, now, now
Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I want to hold you now, now, now Sail away with me honey
I put my heart in your hands
It'd break me up if you pulled me down, whoa
Sail away with me
What will be will be

I want to hold you now, now, now
