

She Cries the Quiet Lake

Absu

[Cairn Warrior in Advocated Manner:]

Stones of power

Stillness of her spawn

Gems of symbols

Re-illuminating

Dawn

She cries the quiet lakeWeeping waters

Taciturnity

Found

She cries the quiet lakeDripping ruptures

Immortality

BoundEnduring: death is mine to keep

Timelessness: unborn in timely shape

Balancing: between stone and sky

Promulgate: lamentationsContinually: she wails and she whines

Nonetheless: linking stone to sky

Leveling: the tarns to the tides

Circulate: limpid-forming tears[Tea's Diktat:]

"The darkness is starting and control is done:

The cosmic light is fading, as the shadow's won." [Chorus - Cairn Warrior in Encouraged Mode:]

It's the lake of your liquid, glass heart

It's bringing your writ; it's bringing you tears

It's filling your thirst and never with fears

It's the tears of my liquid, glass heart[Repeat Chorus - Cairn Warrior in Encouraged Mode]
