

Good Morning Little Schoolgirl

Furthur

Good morning, little schoolgirl
Can I go home, home with you?
Good morning, little schoolgirl
Can I go home, home with you?
Tell your mama and your papa
Big be schoolboy too, yeah
I wanna ball you, yeah
Baby, I wanna ball you all night long
Yes, I do
Baby, I wanna ball you
I wanna ball you all night long
Tell your mama and your papa
Baby, baby, doing nothing wrong, child
I'm doing nothing wrong, yeah
I wanna ball you, yeah, yeah, huh
Baby, I wanna ball you all night long
Yes, I do, child, yeah
I want to ball you, darling, yeah
I want to ball you all night long
Tell your mama and your papa
Baby, baby, we're gonna do nothing wrong
Wrong , wrong, wrong
Baby, I wanna ball you every night
Oh yeah, come on now
