

Naturally

KIDZ BOP Kids

How you choose to express yourself,
It's all your own and I can tell,
It comes naturally
It comes naturally You follow what you feel inside,
It's intuitive, you don't have to try
It comes naturally, mmm
It comes naturally And it takes my breath away (away, away)
What you do so naturally You are the thunder and I am the lightning,
and I love the way you
know who you are and to me it's exciting,
when you know it's meant to be. Everything comes naturally, It comes naturally,
when you're with me baby
Everything comes naturally, It comes naturally
bay-bay-baby You have a way of moving me,
Your force of nature, your energy
It comes naturally, (you know it does) It comes naturally And it takes my breath away (everytime)
What you do so naturally You are the thunder and I am the lightning,
and I love the way you,
know who you are and to me it's exciting,
when you know it's meant to be. Everything comes naturally, it comes naturally
when you're with me baby
Everything comes naturally, it comes naturally
bay-bay-baby when we collide, sparks fly
when you look in my eyes
it takes my breath away you are the thunder and i am the lightening,
and i love the way
you know who you are and to me it's exciting
when you know it's meant to be everything comes naturally, it comes naturally
when you're with me baby
everything comes naturally, it comes naturally
bay-bay-baby
