That nigga tryin' me, that nigga tryin' me  
Fuck, nigga tryin' me, he keep on tryin' me Hataz dress to impress but they missed a spot  
It takes chest to distress the longevity plot  
But I gotta 380 waitin' so, keep ya eyes up off me  
Keep ya eyes off my dick an' get ya own damn money You bony mothafucka, getcha head split right open  
I do it in the street an' leave ya neighborhood spoken  
An' they hopin' that the mothafuckin' war is over  
These lyrics so diverse that a click clack an' break ya shoulder I done rolled up on the south side of the Av  
If you keep lookin', I'ma bust ya ass in ya face  
I ain't gon' bless, I'ma just make an example  
All that unloyal shit gon' getcha fuck ass toppled When I cock back, my piece is gonna sound like, ?Bam?  
Hit ya ass so hard, the fuckin' crowd say, ?Damn  
You just got knocked the fuck out"  
That's the way we do niggas that's eyein' in the south What the fuck is goin' on?  
What the fuck is goin' on?  
That nigga eyein' me, that nigga eyein' me  
Fuck, nigga eyein' me, he keep on eyein' me What the fuck is goin' on?  
What the fuck is goin' on?  
That nigga tryin' me, that nigga tryin' me  
Fuck, nigga tryin' me, he keep on tryin' me
