

Your Mother

So Does Your Mother

Your Mother

You keep to provoke
to disturb
trying to get me hurt

But I don't react
I don't hurt you back
cause you can't know that

Your Mother

Yes Your Mother

Your Mother is

Your Mother is mine

Look at me I'm smiling
laughing
while you're mocking me

I let you be the man
that no one dares
the man who don't care

But I'm satisfied
when I look into your eyes
and I think of her
and I think that you can't know that

Your Mother

Yes Your Mother

Your Mother is

Your Mother is mine
