Motionless

Alpines

Restless in the thought of you break down
The empty truth, I'm floating in the moment
I've been sleeping when it's so fragile
Deep down there's a part of you, is a part of me
Undefinable, hard to believe
I've been praying for you endlesslyLove is timeless
We are moving
But we're motionless,
We are motionless
So love is timeless
We are moving
But we're motionless,
We are motionless
And you've got this hold on me
And you've been breaking down the boundaries
And you've got this hold on me
And you've been breaking down the boundariesGraceless in the words I said I'm sorry
You know that you're everything to me
The way I feel, so plain
I'm exposing and devotingLove is timeless
We are moving
But we're motionless, we are motionless
So love is timeless
We are moving
But we're motionless,
We are motionless
And you've got this hold on me
And you've been breaking down the boundaries
And you've got this hold on me
And you've been breaking down the boundaries
