Here With Us

Joy Williams

It's still a mystery to me
That the hands of God could be so small
How tiny fingers reaching in the night
Were the very hands that measured the sky

Hallelujah, hallelujah
Heaven's love reaching down to save the world
Hallelujah, hallelujah, son of God, servant King
Here with us, You're here with us

It's still a mystery to me
How His infant eyes have seen the dawn of time
How His ears have heard an angel's symphony
But still Mary had to rock her Savior to sleep

Hallelujah, hallelujah
Heaven's love reaching down to save the world
Hallelujah, hallelujah, son of God, servant King
Here with us, You're here with us
You're here with us

Jesus, the Christ, born in Bethlehem
A baby born to save, to save the souls of man

Hallelujah, hallelujah
Heaven's love reaching down to save the world
Hallelujah, hallelujah, son of God, servant King
Here with us

Hallelujah, hallelujah
Heaven's love reaching down to save the world
Hallelujah, hallelujah, son of God, servant King
Here with us, You're here with us
You're here with us
