

Strip It All Away

John Wilds

Strip It All Away

Strip it all away
Strip it all away
All that tries to steal my heartsâ€™ affection
I donâ€™t need it anyway
If it leads my eyes astray
Only You deserve all of my attention
So strip it all away

Iâ€™m letting go
Iâ€™m giving in
Jesus, I surrender
Iâ€™m breaking free
From everything
Just to be with You again
And Iâ€™m- no longer tied to what canâ€™t satisfy

So strip it all away
Strip it all away
All that tries to steal my heartsâ€™ affection
I donâ€™t need it anyway
If it leads my eyes astray
Lord, only You deserve
All of my attention
So strip it all away

Iâ€™m letting go
Iâ€™m giving in
Jesus, I surrender
Iâ€™m breaking free
From everything
Just to be with You again
And Iâ€™m- no longer tied to what canâ€™t satisfy

So strip it all away
Strip it all away
All that tries to steal my heartsâ€™ affection
I donâ€™t need it anyway
If it leads my eyes astray

Lord, only You deserve
All of my attention
So strip it all away

Youâ€™ll be the King of my heart
Lead me away- take me far- from every imposter
Tilâ€™ all thatâ€™s left is You
Strip it all away

Youâ€™ll be the King of my heart
Lead me away- take me far- from every imposter
Tilâ€™ all thatâ€™s left is You
Strip it all away

So strip it all away
Strip it all away
All that tries to steal my heartsâ€™ affection
I donâ€™t need it anyway
If it leads my eyes astray
Lord, only You deserve
All of my attention
Only You deserve all of my affection
Lord, only You deserve all of my devotion
So, strip it all away

Strip it all away
All away
