

My Sister's Girlfriend

Latif

I gots to get that
Just can't resist that
My sister's girlfriend
So dope, I know I should do it
But her girlfriend
Got me 'bout twisted
Shortie, you're so gifted
No joke, so tempted to get it
I never seen her before
'Cause on the normal, I wouldn't holla
But this girl was so dope
But my sister said no
I didn't care what she said
'Cause I knew that if I had a chance
I was gonna get with this chick
'Cause I could not help it
(I know you're in both friends)
Girl, I know that I want you
(I never act like this)
This is something I must do
(Cause I can't resist)
Don't listen to my sister say
(I wanna know what you're about)
Yeah
(Please can we spend)
A moment of truth, girl
(So you're lookin' for me and)
With you
(We can start a new thing)
Let me do what I do
I gots to get that
Just can't resist that
My sister's girlfriend
So dope, I know I should do it
But her girlfriend
Got me 'bout twisted
Shortie, you're so gifted
No joke, so tempted to get it
I said now, now

Now I put myself out there
I need to know exactly where
Your mind is
And if you're thinkin' like I'm thinkin'
'Cause I'm thinkin' like if we're alone
Just once behind closed doors
I know it really would be on
(I know you're in both friends)
Girl, I know that I want you
(I never act like this)
I really really need you
(Cause I can't resist)
Yeah
(I wanna know what you're about)
Yeah
(Please can we spend)
A moment of truth
(So you're lookin' for me and)
With you
(We can start a new thing)
Forget this weekend, we can do it now
I gots to get that
Just can't resist that
My sister's girlfriend
So dope, I know I should do it
But her girlfriend
Got me 'bout twisted
Shortie, you're so gifted
No joke, so tempted to get it
I can see it in your face
That you're really likin' me
But it's not that tough to say
'Cause my sister's in your face
So if you wanna move
Just hit me on my two
'Cause I'll be there when you call me
'Cause girl, I'm feelin' you
I gots to get that
Just can't resist that
My sister's girlfriend
So dope, I know I should do it
But her girlfriend
Got me 'bout twisted
Shortie, you're so gifted
No joke, so tempted to get it

I gots to get that
Just can't resist that
My sister's girlfriend
So dope, I know I should do it
But her girlfriend
Got me 'bout twisted
Shortie, you're so gifted
No joke, so tempted to get it
