

# My Life

Mary J Blige

Ooh

(My life, my life, my life, my life in the sunshine)

If you looked in my life

And see what I've seen

If you looked in my life

And see what I've seen

If you looked in my life

And see what I've seen

If you looked in my life

And see what I've seen

(My life, my life, my life, my life in the sunshine)

Life can be only what you make it

When you're feelin' down

You should never fake it

Say what's on your mind

And you'll find in time

That all the negative energy

It would all cease

And you'll be at peace with yourself

You won't really need no one else

Except for the man up above

Because he'll give you love

(My life, my life, my life, my life)

If you looked into my life

If you looked in my life

And see what I've seen

If you looked in my life

And see what I've seen

If you looked in my life

And see what I've seen

If you looked in my life

And see what I've seen

Take your time

Baby don't you rush a thing

Don't you know, I know

We all are struggling

I know it is hard but we will get by

And if you don't believe in me

Just believe in He  
'Cause he'll give you peace of mind, yes he will  
And you'll see the sunshine for real, yes you would  
And you'll get to free your mind  
And things will turn out fine  
Oh, I know that things will turn out fine  
Yes they would, yes they would  
(My life, my life, my life, my life in the sunshine)  
If you looked in my life  
And see what I've seen  
If you looked in my life  
And see what I've seen  
If you looked in my life  
And see what I've seen  
If you looked in my life  
And see what I've seen  
(My life, my life, my life, my life)  
If you looked in my life  
And see what I've seen  
If you looked in my life  
And see what I've seen  
(My life, my life, my life, my life)  
If you looked in my life  
And see what I've seen  
If you looked in my life  
And see what I've seen
