

# A Heart That Forgives (Reprise)

## Kevin Levar & One Sound

I want a heart that forgives a heart full of love  
One with compassion just like yours above  
One that over comes evil with goodness and love  
Like it never happened, never holding a grudge  
I want a heart that forgives that lives and lets live  
One that keeps loving over and over again  
One that men can't offend  
Because your word is within  
One that loves without price like you Lord Jesus Christ  
I want a heart that loves everybody even my enemies  
I want to love like you, be like you, just like you did  
I want a heart that forgives.  
Want a heart that forgives!  
When the ones that are closest that I've known the longest  
Hurt me the most; I still wanna love them just like you love me  
Even though I'm hurting,  
Want a heart that forgives  
When the pain is so deep it's so hard to speak about it to anyone  
Just like your son  
I give up my right to hold it against them with hatred inside  
I want a heart that loves everybody, even my Enemies I wanna love like you, be like you, just like you did  
Wanna walk like you, talk like you,  
just like you did, Wanna be like you live like you, Just like you did  
Cuz the heart that forgives that is the heart that will live  
Totally free from the pain of the past and the heart that lets go  
Is the heart that will know so much freedom,  
Lord I wanna let it go, God I need to let it go  
Lord it's been holding me back and I don't want it  
I don't want it, I don't, I don't want it no more  
I don't know exactly what to do to get rid of it  
Here I am Lord Jesus, here I am oh here I am Lord Jesus  
Lord I need you, I need you  
I know this is me that you're talking to  
This is me, this is me, this is me, Lord this is me Lord I'll let it go, every person, every person that's ever hurt me  
Gotta let it go, every single hurt, I gotta let it go  
Every single pain, gotta let it go, I let it go, I let it go  
Lord you can have it, Lord you can have it  
Lord you can have it, Lord you can have it,  
You can have it now, You can have it now

'Cause I don't want it no more
