Broken

Groundbreaking

I, I don't work
'Cause I ruin everything
And no, this can't be right
I never wanted it to be this way
It wasn't supposed to end like this tonight
All alone
With nowhere to goThis is me
I am empty
So please
I can't do it anymore
Just like before
You're out the door
Don't you realise
You fill this void I have insideI, I don't work
'Cause I ruin everything
And no, this can't be right
I never wanted it to be this way
It wasn't supposed to end like this tonight
All alone
With no place to go
