

Mother (GTA-III, San Andreas OST)

Danzig

Mother
Tell your children not to walk my way
Tell your children not to hear my words
What they mean
What they say
MotherMother
Can you keep them in the dark for life
Can you hide them from the waiting world
Oh motherFather
Gonna take your daughter out tonight
Gonna show her my world
Oh fatherNot about to see your light
But if you want to find hell with me
I can show you what it's like
Till you're bleedingNot about to see your light
And if you want to find hell with me
I can show you what it'sMother
Tell your children not to hold my hand
Tell your children not to understand
Oh motherFather
Do you want to bang heads with me
Do you want to feel everything
Oh fatherNot about to see your light
And if you want to find hell with me
I can show you what it's like
Till you're bleedingNot about to see your light
And if you want to find hell with me
I can show you what it's
YeaNot about to see your light
But if you want to find hell with me
I can show you what it's like
Till you're bleedingNot about to see your light
And if you want to find hell with me
I can show you what it's like
Whoa
Mother
Yea
