

Paranormal

Hannibal Stone

Shadow on my shoulder
Someone's watching me
Shadow on my shoulder
 A lost entity
 Subtle and silent
A whisper on the wind
 Benevolent and quiet
 Uneasiness sets in
Covert and controlling
 Random acts of fate
Conscious yet consolling
 Opportunity's the bait
Coincidence, cohesion
 Right time and place
 Spirit of believing
 In that mindspace
Evidence can only be found within
Feel the presence under your skin
Shouldn't fear what you can't see
 What will be is supposed to be
 Let the spirit free
Shadow on your shoulder
Someone's watching you
Shadow on your shoulder
You can't believe it's true
 Subtle and silent
A whisper on the wind
 Benevolent and quiet
 Uneasiness within
Paranormal, paranormal
 Paranormal
Paranormal, paranormal
 Paranormal
Evidence can only be found within
Feel the presence under your skin
Shouldn't fear what you can't see
 What will be is supposed to be
 Let the spirit free
