

# I'll Do Anything

## Marshall Crenshaw

I gotta send a message  
Gotta send it to your heart from mine  
I even wrote you a letter  
I know there's no real harm in tryingI'll play the fool resignedly  
If it's what I have to do  
'Cause you mean a lot to me  
I'll do anything for youYou took a chance on something  
You took a chance and now you'll see  
It's gotta fall on someone  
What's gotta be is gonna beBut let's not talk about it  
We've got better things to do  
Unless you want to talk about it  
I'll do anything for you, yeahI gotta send a message  
Gotta send it to your heart from mine, yeah  
I even wrote you a letter  
I know there's no real harm in tryingI'll play the fool resignedly  
If it's what I have to do  
'Cause you mean a lot to me  
I'll do anything for youLet's not talk about it  
We've got better things to do  
Unless you want to talk about it  
I'll do anything for you, yeahI'll play the fool resignedly  
If it's what I have to do  
'Cause you mean a lot to me  
I'll do anything for you, yeah'Cause you mean so much to me  
I'll do anything for you, yeah
