

The Hero In Our Songs

Sweet Scarlet

Dream your dream while you sleep,
but soon as daylight, realize what you seek.
Take a chance, just go ahead.
Just make your day before youâ€™re dead.

Iâ€™m removing the crown, but refuse to back down.
Are you it?
It Ìs the end of my time, now it Ìs time to come around.
Are you it?
Burn up the flagpole. Backup the black hole.
Are you it?
Are you it, the hero in our songs?

Fear is around us.
Itâ€™s not hard to know why everyoneâ€™s had enough.
It rips us to pieces.
It seems that our beliefs paralyzes us.

Iâ€™m removing the crown, but refuse to back down.
Are you it?
It Ìs the end of my time, now it Ìs time to come around.
Are you it?
Burn up the flagpole. Backup the black hole.
Are you it?
Are you it, the hero in our songs?

I want to cry. I want to cry.

Iâ€™m removing the crown, but refuse to back down.
Are you it?
It Ìs the end of my time, now it Ìs time to come around.
Are you it?
Burn up the flagpole. Backup the black hole.
Are you it?
Are you it, the hero in our songs?

Cry(choir)

Itâ€™s the end of my time. Now it Ìs time to be crowned. Are you it?
