

# Serious Lover

## Choir of Young Believers

Strive for supremacy  
Strong, out of the machine  
Then see you dissappear  
You know, you know  
You know You know your secret little body haunts  
For us among and around all town  
No matter where you go  
You know, you know,  
you know  
You know  
You Know  
(you're such a...)  
You know  
You Know  
You Know  
You Know  
You Know  
(you're such a...)  
You Know  
You Know  
You Know You're such a serious lover  
Such a serious lover  
Weight of the world on your shoulders  
And it's bringing you down  
You're such a serious lover  
You're such a serious lover  
Such a serious lover  
Weight of the world on your shoulders  
And it's bringing you down  
You're such a serious lover Keep you weighing to the grown  
Hold on... You strive for supremacy  
And careless infinity  
To me, what's it gonna be?  
We lived and said we're free Look at us now, baby  
You stretch, our mission is so complete  
No matter where we go  
You know, you know  
you know You're such a...  
You're such a... You're such a serious lover

Such a serious lover  
Weight of the world on your shoulders  
And it's bringing you down  
You're such a serious lover You're such a serious lover

Such a serious lover  
Weight of the world on your shoulders  
And it's bringing you down  
You're such a serious lover
