

Love Is Like Oxygen (Re-Recorded)

The Sweet

Love is like oxygen
You get too much, you get too high
Not enough and you're gonna die
Love gets you highLove is like oxygen
You get too much, you get too high
Not enough and you're gonna die
Love gets you highTime on my side, I got it all
I've heard that pride always comes before a fall
There's a rumor going 'round the town
That you don't want me around
I can't shake off my city blues
Everywhere I turn, I loseLove is like oxygen
You get too much, you get too high
Not enough and you're gonna die
Love gets you highLove is like oxygen
You get too much, you get too high
Not enough and you're gonna die
Love gets you highTime is no healer if you're not there
Lonely fever, sad words in the air
Some things are better left unsaid
I'm gonna spend my days in bed
I'll walk the streets at night
To be hidden by the city light, city lightLove is like oxygen
You get too much, you get too high
Not enough and you're gonna die
Love gets you highLove is like oxygen
You get too much, you get too high
Not enough and you're gonna die
Love gets you high
