

# Winter Wonderland

## The Judds

Over the ground lies a mantle of white  
A heaven of diamonds shine down through the night  
Two hearts are thrilling  
In spite of the chilling weather

Sleigh bells ring are you listening  
In the lane snow is glistening  
It's beautiful sight we're happy tonight  
Walking in the winter wonderland

Gone away is the bluebird here to stay is a new bird  
He sings a love song as we go alone  
Walking in the winter wonderland

In the meadow we can build the snowman  
And pretend that he is Parson Brown  
He'll say are you merry we'll say  
No man but you can do the job here in town

Later on we'll conspire as we dream by the fire  
The face on the frame the vows  
That we made walking in the winter wonderland

Love knows no season love knows no clime  
Romance can blossom any old time  
Here in the open we're walking and hoping together

Sleigh bells ring are you listening  
In the meadow we can build the snowman  
Later on we'll conspire

The face on the frame the vows  
That we made walking in the winter wonderland  
Walking in the winter wonderland  
Walking in the winter wonderland
