

# Break It To Me Gently

## Loverboy

Face to face, I can see that look in your eye  
But are you looking at me?  
'Cause you know things aren't what they seem to be  
Does it matter to you?  
Or have you played that game before?  
I can feel you across the room  
I wanna know just what it takes  
'Cause you know that I've made some mistakes  
I've been down that road before  
Don't want to feel like a wolf  
When I'm banging on your door?  
So, break it to me gently all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah  
Break it to me gently all night long, all night long  
So, tell me if I'm wrong  
But wasn't it you that gave up  
Without a fight, last night?  
So, tell me if I'm reading you right  
That's when I felt that  
There was something going on  
And now I know what I wanna see  
When you walk that way, do you walk that way for me?  
Gotta know  
Or are you just putting on a show  
'Cause you're everything I want?  
And a little bit more  
Break it to me gently all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah  
Break it to me gently all night long, so break it, baby  
Here we go  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Break it to me gently all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah

Break it to me gentry all night long  
Break it to me gently all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah  
Break it to me gently all night long, all night
