

# Believe

## Savatage

So after all those one night stands  
You've ended up with heart in hand  
A child alone, on your own, retreating  
Regretful for the things you're not  
And all the things you haven't got  
Without a home, a heart of stone, lies bleeding  
And for all the roads you followed  
And for all you did not find  
And for all the dreams you had to leave behind  
I am the way, I am the light  
I am the dark inside the night  
I hear your hopes, I feel your dreams  
And in the dark I hear your screams  
Don't turn away, just take my hand  
And when you make your final stand  
I'll be right there, I'll never leave  
And all I ask of you, believe  
Your childhood eyes were so intense  
While bartering your innocence  
For bits of string, the grown-up wings  
You needed  
But when you had to add them up  
You found that there were not enough  
To get you in, pay for sins repeated  
And for all the years you borrowed  
And for all the tears you hide  
And for all the fears you had to keep inside  
I am the way, I am the light  
I am the dark inside the night  
I hear your hopes, I feel your dreams  
And in the dark, I hear your screams  
Don't walk away, just take my hand  
And when you make your final stand  
I'll be right there, I'll never leave  
And all I ask of you is believe  
I never wanted to know, never wanted to see  
I wasted my time till time wasted me  
I never wanted to go, I always wanted to stay  
'Cause the persons I am are the parts that I play  
So, I plot and I plan and I hope and I scheme  
To the lure of a night filled with unfinished dreams  
And I'm holding on tight to a world gone astray  
As they charge me for years, I can no longer pay  
I am the way, I am the light  
I am the dark inside the night  
I hear your hopes, I feel your dreams  
And in the dark, I hear your screams  
Don't turn away, just take my hand  
And when you make your final stand  
I'll be right there, I'll never leave  
And all I ask of you, believe
