Wait And Bleed

Ð¡Ð»Ð¸Ð¿Ð¿ÐºÐ½Ð¾Ñ‚

I've felt the hate rise up in me
Kneel down and clear the stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleedI've felt the hate rise up in me
Kneel down and clear the stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleedGoodbyeI wipe it off on a tile, the light is brighter this time
Everything is turning blasphemy
My eyes are red and gold, the hair is standing straight up
This is not the way I picture meI can't control my shakes, how the hell did I get here?
Something about this, so very wrong
I have to laugh out loud, I wish I didn't like this
Is it a dream or a memory?I've felt the hate rise up in me
Kneel down and clear the stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleedGet outta my head 'cause I don't need this
Why didn't I see this?
Well, I'm a victim Manchurian candidate
I have sinned by just makin' my mind up
And takin' your breath awayI've felt the hate rise up in me
Kneel down and clear the stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleedI've felt the hate rise up in me
Kneel down and clear the stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleedGoodbyeYou haven't learned a thing
I haven't changed a thing
The flesh was in my bones
The pain was always freeYou haven't learned a thing
I haven't changed a thing
The flesh was in my bones
The pain was always freeI've felt the hate rise up in me
Kneel down and clear the stone of leaves
I wander out where you can't see
Inside my shell I wait and bleedI've felt the hate rise up in me
Kneel down and clear the stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleedAnd it waits for you
