December Sky

Dawn Richard

Didn't expect for Que to be so far,
I want to be right there with you baby.
So I can warm you up with love,
It's so cold where you are.
I have plenty gifts to give ya,
Even though we're not together.
Tonight I'll wrap the
sky with the moon and stars,
So we can hold the night.
(Chorus)
Under December skies
No distance, space or time. (all will be forgiven)
Under December skies
Nothing but you I.
I know you said grown men don't cry,
but I can see the tears forming in your eyes.
It hurts me to know that I'm the reason,
When all I want to do is please you.
So I'll sit here with this glass of wine,

With my fireplace and the smell of pine.
I'm wishing it was your lips kissing mine,
I guess I'll have to dream tonight.
(Chorus)
Under December Skies
No distance, space or time.
Under December skies
Nothing but you and I
(Bridge)
Nothing can come between us.
Nobody can come between us.
Under December skies.
Under December skies.
Ohh If you feel me,
Under December skies.
(Chorus til fade)
Under December Skies
No distance, space or time.
Under December skies

Nothing but you and I
