Monkey

Matthew Dear

(Run away) x8I'm, I'm a monkey
Frozen, in my, monkey dreams
It's time, time to monkey
Lost, in our monkey sleep(Run away) x8I'm, I am monkey
Sleeping monkey and me
Sight, sight such a monkey
Grown up, in my, monkey dream(Run away) x8Tell me what you want me to be, I can be it
I can be a battle cry and make a mean face
Listen for me coming with my army of twists
I can be a lover if a lover's shoe fitsTell me what you want me to be, I can be it
I can be a battle cry and make a mean face
Listen for me coming with my army of twists
I can be a lover if a lover's shoe fits
