

# Monkey

Matthew Dear

(Run away) x8I'm, I'm a monkey  
Frozen, in my, monkey dreams  
It's time, time to monkey  
Lost, in our monkey sleep(Run away) x8I'm, I am monkey  
Sleeping monkey and me  
Sight, sight such a monkey  
Grown up, in my, monkey dream(Run away) x8Tell me what you want me to be, I can be it  
I can be a battle cry and make a mean face  
Listen for me coming with my army of twists  
I can be a lover if a lover's shoe fitsTell me what you want me to be, I can be it  
I can be a battle cry and make a mean face  
Listen for me coming with my army of twists  
I can be a lover if a lover's shoe fits
