

# La Caravane

## Babylon Circus

Night and stars above that shine so bright

The myst'ry of their fading light

That shines upon our caravan

Sleep upon my shoulder as we creep

Across the sand so I may keep

The mem'ry of our caravan

This is so exciting

You are so inviting

Resting in my arms

As I thrill to the magic charms

Of you beside me here beneath the blue

My dream of love is coming true

Within our desert caravan
