

# Rebel

## Forever the Sickest Kids

(Huah)

I know better than to mess with a girl like you

(Girl like you)

Got no business doing business with a guy like me

(Guy like me) Always on the run

Shooting through hearts

Like a bullet from a gun She knows better than to mess with a rebel like me

'Cause a rebel like me

Breaks hearts, breaks hearts 'Cause I'm a rebel, rebel, rebel

Without a cause

'Cause I'm a rebel, rebel, rebel

Without a cause Trouble follows me

I'll leave you high and dry

'Cause I'm a rebel, rebel, rebel

Without a cause I've been around in the rounds

But I've never met a girl like you

(Girl like you)

I'm not a lover

But I love her

And her stupid butterfly tattoo

Always on the go

Picking my night from the front row She knows better than to mess with a rebel like me

'Cause a rebel like me

Breaks hearts, breaks hearts 'Cause I'm a rebel, rebel, rebel

Without a cause

'Cause I'm a rebel, rebel, rebel

Without a cause Trouble follows me

I'll leave you high and dry

'Cause I'm a rebel, rebel, rebel

Without a cause Breaks hearts

Breaks hearts

('Cause a rebel like me)

Breaks hearts

Breaks hearts 'Cause I'm a rebel, rebel, rebel

Without a cause

'Cause I'm a rebel, rebel, rebel

Without a cause Trouble follows me

I'll leave you high and dry

'Cause I'm a rebel, rebel, rebel

Without a causeBreaks hearts
