

# Kingpin

## Diatrige

I wanna be your kingpin, living in Pekin  
I wanna be your bigwig, living in Pekin  
I caught the flu and away I flewN.Y.C., pediate blue  
Dime tap and spinal tap  
City maps and hand clapsStatue of liberty play  
It only works once  
Don't throw it away'Cause I wanna be your kingpin, living in Pekin  
Living' in Pekin, livin' in  
How can I, how can I give my love to you  
When I don't know what to do?
