

# My Universe

## The Shires

I don't know what I believe  
But it's more than I can see  
There are things in my heart  
I just know what they are  
Like the way you look at me  
And it's like every star, Venus and Mars have fallen in your eyes  
And it's all mine You only get one li-li-life  
I wanna live it  
I wanna give it to you  
No more goodbye-bye-byes  
When I say forever, I mean forever, I do  
As long as the world  
Keeps turning and turning  
As long as gravity keeps my feet on this Earth  
You'll be my one, my all, my universe It's a distant memory  
Who I used to be  
Somewhere in the atmosphere, not here  
Looking up at that midnight sky  
I don't need to know why  
Or what there is up above  
I just need your love You only get one li-li-life  
And I wanna live it  
I wanna give it to you  
No more goodbye-bye-byes  
When I say forever, I mean forever, I do  
As long as the world  
Keeps turning and turning  
As long as gravity keeps my feet on this Earth  
You'll be my one, my all, my universe Now I know what I believe  
It's you and me You only get one li-li-life  
And I wanna live it  
I wanna give it to you  
No more goodbye-bye-byes  
When I say forever, I mean forever, I do  
As long as the world  
Keeps turning and turning  
As long as gravity  
Keeps my feet on this Earth  
You'll be my one

You'll be my all  
You'll be my one, my all, my universe
