

Stay With Me (Live from Wembley Arena)

You Me At Six

You've got a lot to say for the one that walked away
I give, you take
That's the way it's always been
Oh, how do I know if I should stay or just go?
The bottom line is this way that I'll never know Stay with me (stay with me, stay with me)
Stay with me, oh (a-whoa, a-whoa, a-whoa...) You've got a lot to say for the one that pushed me away
I give, you take
Some things, they never change
Just change Stay with me (stay with me, stay with me)
Stay with me I never knew that I could be this way
I never knew that I could walk away These things take time to grow
It's been said that time heals wounds
But no, I won't be controlled
And so the story goes Stay with me (stay with me, stay with me)
Stay with me And now I know that I can be this way
And now I know that I can walk away
