

# Decide You're Gone

SOJA

I used to think that  
I would go this all alone  
I used to think that  
I would do it by myself But I found another  
one like me walking alone  
I don't think she stands a  
chance with no one else but anyway  
I'll be here and you'll be there  
and we'll be by the phone (and you know)  
I'll be sitting, watching you  
waiting for you  
you decide you're ...  
you decide you're gone  
and when I'm calling  
If I'm calling someone else  
it don't feel the same as  
when I'm calling you  
I mean it And in a world I more  
and more can't understand  
It would be hard  
to lose something that I do but anyway  
I'll be here and you'll be there  
and we'll be by the phone (and you know)  
I'll be sitting, watching you  
waiting for you  
you decide you're ...  
you decide you're gone  
So watch the days  
'cuz they all turn  
into the night, and watch the sun  
'cuz it turns into the moon  
and in a world that won't  
stop turning us around  
at least we know  
who we can turn to, to, to now I'll be here and you'll be there  
and we'll be by the phone (and you know)  
I'll be sitting, watching you  
waiting for you  
you decide you're ... i'll be there and you'll be here

and we'll be by the phone  
and i'll be sitting while i watch  
i'll be watching while i wait  
for you to decide that you're gone  
for you to decide that you're gone is it too much  
is it too far  
is it too long  
and now you're gone  
and i'll be here  
and you'll be there  
and you will decide that you're gone  
'cause it's too much  
and it's too far  
and it's too long  
and you are gone  
and you decide you're ...  
you decide you're gone ...
