Who You Are

LifeWay Kids Worship

Under the light of a million stars
I'm looking up just to see how far
They go
They seem to go on forever
Just like the love that you have for me
It's been around long before I breathed
A breath
Lord, you put me together

Hallelujah, I am made by you
And I know who I am
Because of who you are

Hallelujah, I am made by you
And I know who I am
Because of who you are

You are the keeper of the galaxies
And still you know every part of me
Because
You created me in your image

Hallelujah, I am made by you
And I know who I am
Because of who you are

Hallelujah, I am made by you
And I know who I am
Because of who you are

You're the Alpha, Omega
Beginning and the end
My Lord and my Savior
Creator, my friend

You're the Alpha, Omega
Beginning and the end
My Lord and my Savior
Creator, my friend

Hallelujah, I am made by you
And I know who I am
Because of who you are
